# Dahlias in America

## A Few Facts About This Wonderful American Flower

Dorothy Peacock

**T**HE Dahlia, at last, occupies a position second to no other plant in our gardens, and it is exceedingly gratifying to us, as it bears out our prediction made in 1884 that, "Owing to a dearth of flowers during the summer and early autumn months, a proper development of the possibilities of this beautiful flower, would give it a place of honor in every garden. Owing to its free growing habits, freedom from serious disease, and ease of safeguarding from the few insects that attack it, it can and will be universally grown." It is specially gratifying to us that our prediction of 29 years ago is being realized to the fullest extent.

During this time we have devoted our entire time and energy to aid in the development of the Dahlia, and bring about the present most gratifying results. During this time, regardless of vicissitudes, our keynote has been "Quality" which has resulted in our not only having been the original American Dahlia specialists, but the enviable position of the largest Dahlia growers in the world.

As a large proportion of existing varieties have been originated in other countries, the development was along lines suited to local conditions, there; and, are entirely unsuited to American conditions. This is particularly the case with Dahlias for decorative purposes. We grow the best and most reliable varieties in immense quantities, and as we are not dealers but growers we know that our stock is the best that experience and eternal vigilance can produce.

**OUR FARMS** embracing 141 acres are located at Williamstown Junction, New Jersey, on the Atlantic City Branch of the Reading R. R., only 17 miles from Chestnut Street Ferries, Philadelphia, and we extend a most cordial invitation to our customers and all interested in Dahlias to visit us and inspect our fields while in bloom; during August, September and October. We have 32 trains daily and 16 trains on Sundays during summer. Time tables will be sent on request.

**Guarantee.** We guarantee every plant, bulb or root sent out by us to be just as represented, absolutely true to name, to reach destination safely in perfect condition, and prove entirely satisfactory; we will cheerfully replace any that should prove otherwise.

**Terms.** Cash with order. Remittances may be made by Bank Draft, Post Office or Express Money Order or Registered Letter at our expense and our risk.

**Forwarding.** Dahlia Roots and Plants are sent by mail postpaid at prices named herein; but larger stock will be sent by express, charges collect, and "Extras" are added to help cover charges. Dahlias are billed at "General Special" rates and in most cases are one-third ( $\frac{1}{3}$ ) or  $33\frac{1}{3}$  per cent. less than regular merchandise rates.

**Errors.** While we exercise every care, errors may occur occasionally. In such a case kindly notify us at once, and correction will be promptly and cheerfully made.

**Name and Address.** Be sure and write name and address plainly on each order or communication.

**Address** all orders or communications to

Flowering shoot showing natural habit of growth

New Dahlia Dorothy Peacock, showing plant and cut flowers. Note size and perfection of blooms and length of stem

## Three Sterling New Dahlias in a Class by Themselves

### Dorothy Peacock

**Dorothy Peacock**—The most exquisitely beautiful bright sea shell pink Dahlia on earth. The flowers are of large size, exquisite form (as shown by the accompanying illustrations) while the color is that beautiful clear live pink that appeals to everyone. Whether as a plant in the garden, or the cut flowers, this new flower has been the delight and admiration of all who have seen it.

The plant is a strong vigorous grower, with heavy dark green glossy leaves, showing its great vigor and hardy constitution. It is an early, free and continuous bloomer, producing the flowers on long stiff stems, making it invaluable, alike for all cut flower purposes and garden decorations. Unlike so many good varieties Dorothy Peacock produces fine heavy compact clumps of roots or tubers. In fact, we can sum its good qualities up in one sentence. It is the most beautiful pink Dahlia on earth, and absolutely without a fault.

**PRICE.** Strong field grown roots, 50c. each, \$5.00 per dozen.

### New Rose Pink Decorative Dahlia

**Mrs. J. Gardner Cassatt.** A new rose pink decorative Dahlia, that has attracted the greatest attention. The flowers are of immense size and borne abundantly on long stems. The plant is a very strong vigorous grower, the kind you just can't keep from blooming. This variety which we named by request, was considered by Mrs. Cassatt, and all who have seen it, to be the finest deep pink Dahlia ever introduced. (See illustration, page 13.)

**PRICE.** Strong field grown roots, 25c. each, \$2.50 per dozen; extra heavy clumps 50c. each, \$5.00 per dozen.

### New Decorative Dahlia

**Golden Wedding.** A giant in flower and plant. This is probably the largest of all Dahlias, while the color is that deep golden yellow found in the Golden Wedding Crysanthemum. Not only entirely distinct but excelling in color, length of stem and size. A gorgeous variety for the garden or exhibition.

**PRICE.** Strong field grown roots, 50c. each, \$5.00 per dozen.

## Peacock's Century Dahlias

This entirely new race of single Dahlias was originated by us in the form of 20th Century and introduced in 1901, since which time we have originated and introduced the succeeding list of varieties.

We consider today that Peacock's New Century Dahlias occupy first place, where beauty of coloring and artistic effect is desired. Owing to their immense size, long stems, and graceful carriage, combined with their purity of color; or the blending of colors, shades and tints, they entirely outclass the older and smaller types.

The following are the very best and we offer them in strong field roots, absolutely true to name.

### 15 Gorgeous New Century Dahlias

<b>Anna Long.</b> Clear rosy pink, with white band running through each petal; sometimes solid pink. Profuse bloomer on long slender stems. Height 5 feet.....	Each \$ .30
<b>Blush Century.</b> Very large, soft blush pink, height 4½ feet.....	.30
<b>Donnie Century.</b> Richest vermillion red. Height 4 feet.....	.50
<b>Evelyn Century.</b> Deep pink shading to crimson, with a pure white disc. Height 4 feet.....	.25
<b>Eckford Century.</b> Probably the largest single Dahlia in existence; the immense flowers, pure white, spotted pink and penciled crimson, are produced in abundance on long stiff stems. Height 5 feet.....	.25
<b>Fringed Maroon Century.</b> Rich velvety maroon. The flowers are very large and the rays or petals are much deeper cleft than Fringed 20th Century. Height 4 feet.....	.50
One each of above 15 New Century Dahlias for \$5.50	
<b>Gigantea Alba Century.</b> Snow white of immense size, beautiful form; produced in endless profusion on long graceful stems. Height 5 feet.....	Each \$ .50
<b>Giant Record Century.</b> An exquisite "Autumn Shade" variety. Color amber red, edged yellow; with yellow disc around the orange center. Distinct. Height 4 feet.....	.25
<b>Golden Century.</b> The sensational golden yellow cut flower variety; owing to its rich shades, immense size, long slender wiry stems and good keeping qualities. Color golden yellow shaded amber; showing up gorgeously under artificial light. The best of all yellows, as a plant or cut flower. Height 4 feet.....	.25
<b>Mrs. J. C. Hance Century.</b> Bright carmine pink, with blush white disc. An exquisitely lovely flower, of largest size, with long stems. Height 4 feet.....	.50
<b>Poppy Century.</b> Uniquely distinct. The most brilliantly rich of any Dahlia, as the bright garnet color is so livened by the wonderful satiny sheen, that the flowers fairly glow in the sunshine. The center is dark maroon instead of yellow as in other varieties. Height 4 feet.....	.50
<b>Ragged Robin.</b> Richest crimson with long cleft petals. Height 4 feet.....	1.00
<b>Spanish Century.</b> Pure yellow, penciled rich glowing red; giant size, early and profuse bloomer, on long slender erect stems. Height 5 feet.....	.25
<b>Sunset Century.</b> Rich yellow tipped and shaded amber and bronze. Height 5 feet.....	.50
<b>Wildfire Century.</b> Century size, with the brilliant, rich scarlet of the old Wildfire. Acknowledged the best commercial scarlet. Height 3 feet.....	.25

## Fifteen Superb Century Dahlias

The most distinct and valuable of the newer varieties.

<b>Crimson Century.</b> Rich crimson, rose band around disc. Height 4 feet.....	Each \$ .15
<b>Cardinal Century.</b> Very large, rich cardinal red, the best deep red. Height 5 feet.....	.25
<b>Constant Century.</b> Like 20th Century but holds its color, hence the name. Height 4 feet.....	.15
<b>Delicatissima Century.</b> Very large, with long pointed petals. Color white, flushed pink. Height 4 feet.....	.25
<b>Fringed 20th Century.</b> The first of a new race, with cleft or serrated petals. A great improvement of 20th Century, much larger, brighter color, while the stems are long, slender and stiff. Color bright rosy crimson, with lighter markings. Height 4 feet.....	.20
<b>Gladys Century.</b> (See illustration.) The most distinct and beautiful of this wonderful class. Center of petals rosy crimson, with rose pink band on either side and white zone around the yellow center. Height 3 feet.....	.25
<b>Harvard.</b> Intense crimson. Height 4½ feet.....	.20
One each of above 15 Superb Century Dahlias for \$2.50	
<b>Hazel Heiter.</b> Remarkable distinct, rich crimson beautifully shaded with white tips and white zone around yellow center. Height 4 feet.....	Each \$ .25
<b>Iris Century.</b> Immense size; purple blotch on rosy lake ground. Height 5 feet.....	.20
<b>Maroon Century.</b> Deep maroon shading to black; rich and effective. Height 4 feet.....	.20
<b>Penciled Century.</b> Rose pink shaded cerise penciled crimson, distinct. Height 4 feet.....	.25
<b>Rose Pink Century.</b> The largest and best deep pink; enormous flowers on long 3 feet stems; sure and continuous bloomer, vigorous plant. Height 5 feet.....	.15
<b>Purple.</b> Rich purple. Height 4½ feet.....	.15
<b>20th Century.</b> The original century originated and introduced by us in 1901. Early in the season, intense rosy crimson, shading to white at tips and base of petals; but as the season advances the flowers open lighter until by October they are nearly white, a bright pink blotch in the center of the petals. Height 4 feet.....	.15
<b>White Century.</b> Immense size, snow white. Height 5 feet.....	.20

New Century Dahlia, Gladys

### New Collarette Dahlias

As shown by the illustration, a most novel form of the Dahlia, being entirely distinct and pleasing. Descriptions of a few of the very best will be found on page 17.

### Best Single Dahlias

These are the same form as the preceding Century Dahlias, but are smaller. Descriptions of the very choicest varieties will be found on pages 17 and 18.

Blowing Rock, N. C., April 10, 1913.

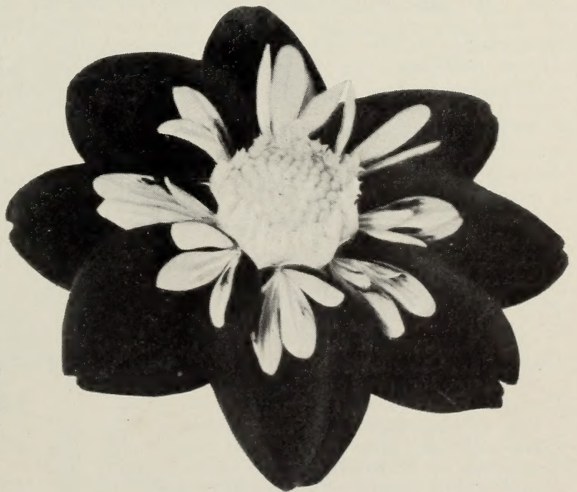

Peacock Dahlia Farms:

The package or box of Dahlia roots came safely to hand and were put in the ground with my own hands. They were the very finest roots I have ever received by order, and I thank you for your faithful filling thereof.

The Gladiolus Bulbs were splendid.

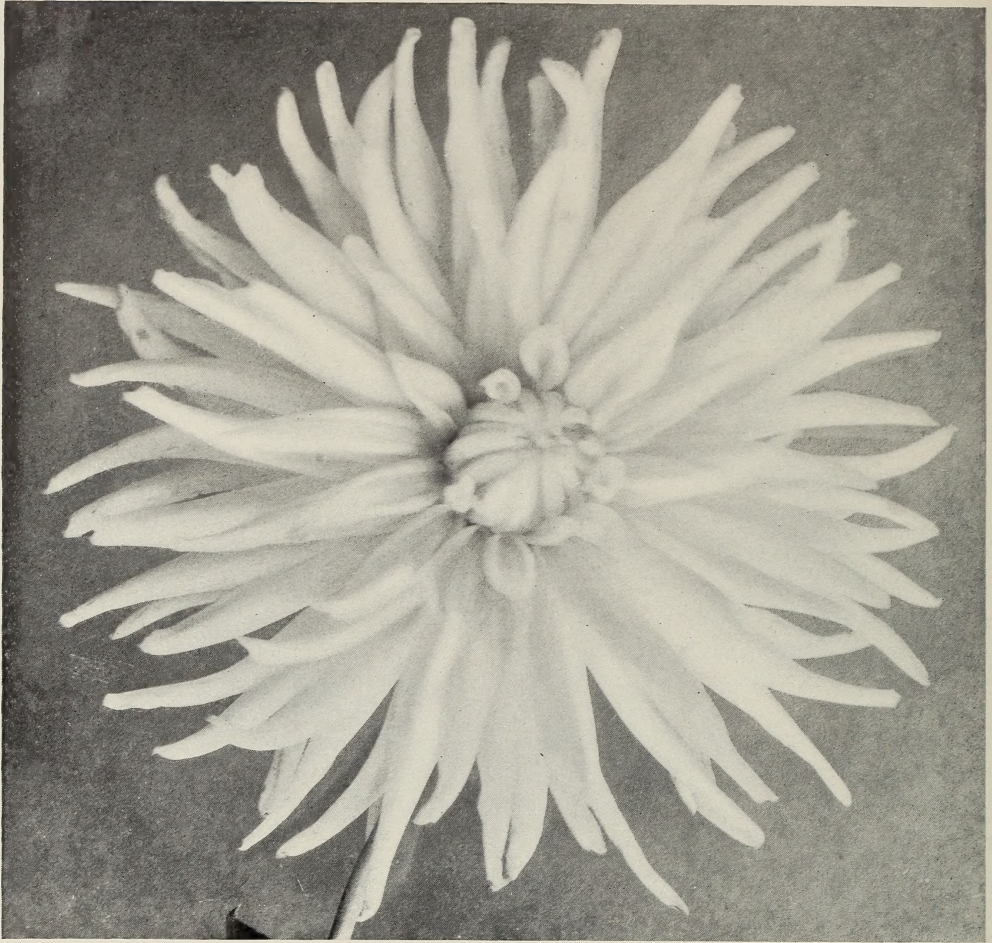

Truly yours,

WM. R. SAVAGE.

Collarette Dahlia, Mme. Viger. See page 17

New Cactus Dahlia, Mrs. H. Shoesmith

## New and Rare Cactus Dahlias

The following embraces the very best Cactus to date. We have grouped them as the highest types of perfection in Cactus Dahlias, and from our observations in the fields we offer them with the utmost confidence that they will give the greatest satisfaction to Dahlia lovers who want the very best to be had.

The photographs reproduced speak more eloquently than words.

<b>Auburn Beauty.</b> An exquisitely formed autumn shade variety; yellow, shaded bronze red. Very distinct and striking, strong plants.....	Each
<b>Carodoc.</b> Bright, pure yellow, large, incurved petals, plants.....	\$ .50
<b>Chas. Clayton.</b> Dazzling red, very free....	.35
<b>C. E. Wilkins.</b> Very large, yellow overlaid, clear salmon pink. Roots.....	.25
<b>Chas. H. Curtis.</b> Rich scarlet crimson, very large incurved petals. Roots.....	.50
<b>Conquest.</b> One of the very best, dark rich crimson-maroon. Strong plants.....	35
<b>Coral.</b> Bright coral red, distinct plants....	75
<b>Countess of Malmsbury.</b> Delicate peach pink color, petals very long and narrow, curving inward.....	.25

<b>Crepuscle.</b> Yellow shaded deep orange; large, splendidly formed flowers.....	Each \$ .25
<b>Daisy Easton.</b> Splendidly formed, deep rich yellow.....	.25
<b>Daisy Staples.</b> Soft mauve pink.....	.25
<b>Dainty.</b> Yellow suffused pink. (See illustration, page 8.).....	.25
<b>Dorothy.</b> Very large, soft silvery pink; long incurved petals.....	.40
<b>Elsa Ulrich.</b> Large, white, overlaid silvery rose. Plants.....	.50
<b>Erecta.</b> Very large with long erect stems; color, deep rose pink. The highest type of excellence in Cactus Dahlias. (See last cover page.) Height 4 feet. Plants.....	.50
<b>Etruria.</b> A beautiful Autumn shade variety. Golden, shaded to reddish salmon. Very large, with long slender petals, on long slender stems. Height 4 feet.....	.25
<b>Faunus.</b> Yellow shading to rosy scarlet; long narrow petals. Height 4 feet.....	.25
<b>Flag of Truce.</b> A splendid large, pure white. Height 4 feet.....	.25
<b>Gladiator.</b> Deep apricot blending into salmon pink at the tips.....	.25

- H. H. Thomas.** Beautiful Each  
deep rich crimson; very  
large, splendid incurved  
form. Plants..... \$ .50

## Testimonials

Troy, N. Y., April 8, 1913.

Peacock Dahlia Farms:

Your general catalogue came today, and I find a great many varieties in it that I would like to try. Wish I had got it sooner before I bought in other places. I have about 150 varieties now, after having discarded some 45 sorts I got from over east, that were about as good as so much junk; and of which I find only a couple listed by you. So I enclose check for enclosed list, to be forwarded as soon as possible.

Yours truly,

M. B. BURLEIGH.

Chicago, April, 9, 1913.

Peacock Dahlia Farms:

Under date of March 20th I sent you check for \$2.00 for the special trial offer of your Dahlias as advertised, which were promptly received by me, and seem to be in good condition. I am now enclosing you check for \$3.50 for which I would like to have you send me at your earliest convenience, one dozen each of your select show Dahlias; and one dozen of your Fancy Dahlias. Also kindly send me two of the new century Dahlia Gladys.

Yours very truly,

JOHN C. BAUER.

## Exquisite Cactus Dahlias

Embracing those of surpassing merit, selected from the thousands of varieties, tried out by field tests. Dependable descriptions and guaranteed absolutely true to name.

<b>Ruby.</b> Bright ruby red, very free.....	.15		
<b>Schwan.</b> Snow white, exquisite form.....	.20		
<b>Shooting Star.</b> Deep golden amber.....	.25		
<b>Sirius.</b> Yellow spotted and penciled crimson.....	.25		
<b>Standard Bearer.</b> Bright, clear scarlet. Very profuse.....	.15		
<b>Strahlen Krone.</b> Bright violet crimson....	.15		
<b>Thomas Parkins.</b> Flower large, splendidly formed, color bright terra cotta. Strong grower, with long, stiff stems, and invaluable for cutting.....	.25		

One each of preceding 116 exquisite Cactus Dahlias carefully labeled true to name, a magnificent collection for \$18.00.

Kindly state if you wish us to substitute a similar variety for any variety we may be sold out of. In substituting we always give the correct name of the Dahlia sent and the name for which it is substituted. If you wish no substitutes we will return money promptly for any we cannot supply.

## Decorative Dahlias

The decorative Dahlia is an intermediate class between a Cactus and Show Dahlia. They are the most popular and valuable of double dahlias, as they have the same hardness of flower as the show without the rigidity of form; and much of the grace and informality of contour of the Cactus, without the corresponding weakness. The flowers are large, full to the center, but of open or irregular formation. They are of varied forms, flat, incurved or reflexed petals; but above all, strong vigorous growers; early and free bloomers. Among this class is found many of the best commercial cut flower varieties.

### New Decorative Dahlias

<b>Coronna.</b> A miniature pure white of perfect form, and extremely free flowering.....	Each \$ .25	<b>Blue Oban.</b> Soft lavender blue; nearest to blue in Dahlias.....	Each \$ .15
<b>Delice.</b> The best pure bright rose pink, entirely distinct, beautiful form.....	.25	<b>Bonnards Yellow.</b> Soft yellow, lightly shaded amber.....	.15

3 Rows Peacock's New Yellow Show Dahlia, Princess Victoria Showing Flora on the left and John Walker on the right. See description

## Pompon Dahlias

This class is a miniature form of the Show and Fancy Dahlias, having the same round, ball like form, but much smaller in size. The plants are also smaller, of branching habit, producing the flowers in endless profusion. As they can be cut in sprays they are valuable for bouquets and for small grounds.

	Each		Each
<b>Alewine.</b> White suffused pink.....	\$ .15	<b>Rougiere Chauviere.</b> Crimson, pink and white distinct.....	\$ .25
<b>Allie Mourey.</b> Light pink tipped deep pink.....	.15	<b>Snowclad.</b> The best pure white pompon...	.15
<b>Catherine.</b> Clear canary yellow.....	.15	<b>Splendens Imbricata.</b> Brightest scarlet...	.20
<b>Crimson Beauty.</b> Bright glistening crimson, long stems.....	.15	<b>Star of the East.</b> Pure white, long stems...	.15
<b>German Favoriet.</b> Red tipped white.....	.15	<b>Sunshine.</b> Richest vermilion scarlet, splendid little flowers on long stems.....	.15
<b>Guiding Star.</b> Pure white, serated petals.....	.15	<b>Tom.</b> Soft creamy yellow.....	.15
<b>Hedwig Pollig.</b> Very distinct, shades of red, tipped white.....	.15		
<b>Klein Domitea.</b> Bright golden terra cotta. Very profuse.....	.15		
<b>Little Beauty.</b> Soft silvery pink, closely quilled petals.....	.15		
<b>Little Bessie.</b> Creamy white, quilled petals.....	.15		
<b>Little Herman.</b> Cardinal red tipped white.....	.15		
<b>May Clift.</b> Bright purple.....	.15		
<b>Mollie.</b> Buff shaded amber.....	.15		
<b>Raphael.</b> Dark maroon, quilled petals.....	.15		

One each of 20 Pompon Dahlias, \$2.75.

**True to Name.** We also guarantee all our stock to be absolutely true to name.

**Substitution.** In all cases of substitution, we give the name of the variety sent. We return the money in case we are sold out of a variety and we are requested not to substitute.

We add extras, as well as send larger roots when ordered sent by express, charges collect.

## Paeony Flowered Dahlias

This is one of the newer types, also called the Art or Artistic Dahlias. The true type resembles the Japanese Paeony; yet several of the most valuable and popular varieties, differ from the true type. Undoubtedly the highest type of this section is represented in the new "John Wanamaker," as the color is the loveliest shade of lavender pink, the formation most exquisite, but above all it is of large size and an early, extremely profuse and continuous bloomer. It also promises to be one of the most popular cut flowers.

This variety is not on the market except cut Flowers in season, and can be seen on our farms the entire season. It is worth a visit to the farms just to see this lovely variety.

The following list is very select and can be depended on:

	Each		Each
<b>Big Chief.</b> Enormous size, rich crimson margined maroon. A very strong vigorous plant, with fern like foliage.....	\$ .15	<b>Geisha.</b> The most striking color combination, golden yellow, changing to bright scarlet at the center of the petal and back to gold at the tip. Giant flowers on long wiry stems. Strong plants.....	\$ .50
<b>Cleopatra.</b> Rich oriental red, base of petals primrose yellow.....	.20	<b>Germania.</b> Brilliant strawberry red.....	.20
<b>Col. Wolseley.</b> Very large, rosy lilac with light tips. Strong plants.....	.50		

Field view showing New Fancy Dahlia Ethel Schmidt to left and foreground. See description page 17

<b>Herzog Heinrich.</b> Rich velvety red, one of the best.....	Each \$ .30	<b>Sensation.</b> (See illustration, page 15.) Vermilion red, tipped snow white. Distinct and striking. A strong vigorous grower and profuse bloomer.....	Each \$ .30
<b>Ironmonger.</b> Very large size, with long graceful stems, pale lavender, with a delicate suggestion of pink throughout.....	.35	<b>Souv. de Fraz Liszt.</b> Very large, crimson richly shaded with white markings.....	.20
<b>King Leopold.</b> Creamy yellow shading to deep primrose yellow.....	.25	<b>Sunny Jim.</b> (New 1913.) Medium size, long stems carrying the flowers well above the foliage. Bright yellow, blending with red at the deepening toward the end, and ending with a yellow tip. Strong plants.....	.50
<b>Konigen Emma.</b> A charming shade of mallow or hollyhock pink, the inner petals banded with gold.....	.25	<b>Sunset.</b> Large, bright red with bright gold tip to each petal.....	.50
<b>Konigen Wilhelmina.</b> Immense fluffy flowers of pure white, with yellow center..	.25	<b>Variiegated Liszt.</b> Dark Oriental red, with yellow tips and markings. A superior variety for decorations, especially where a bronzy effect is wanted.....	.20
<b>La Riente.</b> Bright lilac, very large, beautiful flowers. Strong plants.....	.25		
<b>Mrs. McMundy.</b> Lilac mauve, long stems, very free. Strong plants.....	.50		
<b>Mrs. Carter Lewis.</b> Pale lilac, suffused with rose. Strong plants.....	.35		

One each 18 Superb Paeony Dahlias for \$4.75

## Collarette Dahlias

This uniquely distinct class or type is rapidly gaining in popularity. The flowers are single with a row of smaller or collar petals around the center. These collar petals are generally distinct in color from the rest of the flower. (See illustration, page 5.)

<b>Diomedes.</b> Very distinct purple and white, with white collar petals.....	Each \$ .25	<b>Mme. Viger.</b> One of the best (see illustration, page 5), richest garnet. Collar petals white, faintly suffused carmine.....	Each \$ .25
<b>Director Gerard.</b> Creamy white, suffused with purple. Collar petals, creamy white..	.50	<b>Monsieur L. Ferard.</b> Velvety claret, edged and tipped white. Collar petals long with same markings.....	.40
<b>Etenderd de Lyon.</b> Scarlet, with creamy white collar petals.....	.20	<b>Vilmorin-Andrieux.</b> Velvety red, reflexed with rose, edged white. Collar petals white, slightly tinted red.....	.35
<b>Exposition de Lyon.</b> Rich garnet. Collar white striped and suffused crimson.....	.25	One strong plant of each of above 8 most desirable collarette Dahlias for \$2.25.	
<b>Henri Farman.</b> Brilliant cardinal red, frequently edged, with creamy yellow. Creamy yellow collar.....	.40		

## Best Single Dahlias

The ordinary single Dahlias have been superseded by the Century Dahlias, yet a few of the most beautiful or distinctive are appreciated, especially where color effects, smaller flowers or dwarf plants are desired.

<b>Advance.</b> Richest crimson, shaded maroon, light zone around yellow center. Height, 2½ feet.....	Each \$ .15	<b>Apple Blossom.</b> Most delicately lovely, apple blossom colors. Flowers are perfectly formed, delicate pink, heavily tipped deep carmine pink.....	Each .25
<b>Alba Superba.</b> A beautiful pure white. Height, 3½ feet.....	.25	<b>Blackbird.</b> Maroon shaded black, with red spot at base of each petal.....	.15
<b>Albino.</b> Pure white single Cactus. Height, 4 feet.....	.25	<b>Danish Cross.</b> Scarlet, with white band running through each petal, very distinct	.15
<b>Ami Barillet.</b> The maroon or purple foliage Dahlia. Color, richest garnet. Entirely distinct. Height, 3 feet.....	.20	<b>Edith Lemon.</b> Lemon yellow, reflex amber distinct and pleasing.....	.15

New White Show Dahlia, Ethel Maule. See page 14
